

Household Trash and Recycling

Please observe the following guidelines for regular trash and recycling services:

- Please have your trash and recyclables at the edge of pavement the night before your scheduled date of pick up.
- Place all recyclable materials in the 64-gallon bin that is provided for you.
- The 96-gallon trash cart is for bagged household trash only. Do not mix construction debris or hazardous materials with your household trash.
- Recycling and garbage are collected on the same day.
- The garbage and recycling containers provided are to remain on the property if you should move.
- Please refer to WXII 12 for any weather-related postponements of service.
- Set each can away from each other & any other obstacles (trash can, recycling bin, mailbox, utility pole, etc) by 3'.
- Face the lip on front of the trash/recycling containers to the road. This will insure closure of the lids.
- The Town of Yadkinville contracts with GDS-Republic Services for both trash and recycling services. To contact them directly, call 336-751-1585 and indicate that you live in the Town of Yadkinville.

Trash and recyclables are collected on the following days:

Bulk Trash Pick Up Service

The Town of Yadkinville will pick up any large or bulky items on the 1st and 3rd Wednesdays of every month.

Please observe the following guidelines for bulk item pick up:

- Bulk trash includes household items such as furniture, mattresses, televisions, rolled carpet, metals, fencing, flooring, plaster, gypsum, lumber, siding and appliances that are too large to fit into your rollout container.
- Bulk trash is collected on the first and third Wednesdays of each month. Citizens must call Town Hall at 679-8732 to schedule a bulk trash pick up.
- Do not put bulk trash out until the night prior to pick up.
- All loose scraps need to be in bundles of no more than fifty pounds. Each bundle is considered to be one item. Items that need to be bundled: carpet, metals, fencing, flooring, plaster, gypsum, lumber and siding.
- Trash must be separated by content (metals/other trash).
- The town will collect up to five (5) bulk trash items per household. There will be a \$5 charge for every item over the limit, which will be billed to the customer. Failure to pay this bill will result in the Town no longer providing the service to that customer.
- Tires, batteries, building materials (brick, block, mortar, cement, concrete, gunite, insulation, shakes, shingles, sticks or stones) closed containers (such as oil drums), liquids, chemicals, hazardous wastes, logs and stumps WILL NOT be picked up.
- Bulk trash WILL NOT be collected from businesses or institutions.
- You must call before the scheduled pick up date. Calls made the day of pick up will be scheduled for the following pick up date.
