

**TOWN OF YADKINVILLE**  
**SECOND DECLARATION OF STATE OF EMERGENCY**  
**“STAY-AT-HOME ORDER”**

**WHEREAS**, the novel coronavirus disease-2019 (COVID-19) is a disease spreading across the globe causing flu-like symptoms, but with a significantly higher rate of death, particularly among those who are elderly or medically vulnerable;

**WHEREAS**, COVID-19 is believed to have begun in Wuhan, China, in late 2019, the first case was detected in the United States on January 21, 2020, and the first case was confirmed in North Carolina on March 3, 2020;

**WHEREAS** on January 31, 2020, Health and Human Services Secretary, Alex M. Azar, II, declared COVID-19 to be a public health emergency in the United States;

**WHEREAS** on March 10, 2020, in order to address and mitigate the threat of COVID-19 to vulnerable populations and to slow the spread of COVID-19 in North Carolina, Governor Roy Cooper declared a state of emergency in North Carolina;

**WHEREAS** on March 13, 2020, President Trump declared the COVID-19 pandemic to be a national emergency;

**WHEREAS** since March 16, 2020, President Trump and Governor Cooper have continued to announce and enforce further restrictions in order combat the spread of the virus in order to give scientists and experts time to find medical solutions before our health care system becomes overburdened;

**WHEREAS** on March 18, 2020, the undersigned declared a state of emergency in Yadkinville, North Carolina, but did not enact any restrictions as part of that declaration;

**WHEREAS** in many areas battling COVID-19, there is a severe shortage of medical supplies for health care workers and basic equipment to help the public avoid transmitting the disease;

**WHEREAS** many individuals who contract the virus display no symptoms or have mild symptoms which means they may not be aware they carry the virus. People without symptoms can transmit the disease, and because evidence shows the disease is easily spread, mass gatherings can result in further transmissions of the virus:

**WHEREAS** until the state or federal government or private companies can implement better testing or develop an effective treatment, restricting movement is the best practice to slow transmission of COVID-19;

**WHEREAS** the undersigned has conferred with local health officials and confirmed that they support immediate restrictions to slow down COVID-19's and in order to preserve supplies to treat those with COVID-19 and other serious illnesses and injuries;

**WHEREAS** as a result of the above-described public health emergency, I have determined that there is an imminent threat of, or existing conditions have caused or will cause, widespread or severe damage, injury, or loss of life or property, and public safety authorities may be unable to maintain public order or afford adequate protection for lives or property;

**WHEREAS** declaring a State of Emergency and imposing the restrictions and prohibitions ordered herein is necessary to maintain order and protect public health, safety, and welfare, and to secure property;

**NOW, THEREFORE**, pursuant to the authority vested in me as the Mayor of the Town of Yadkinville under N.C.G.S. § 166A-19.31 and Title III, Chapter 3, Article A, Section 3-3-1 (a) through (g), I hereby declare and proclaim the following:
