FY 2020-2021

ADOPTED BUDGET

FISCAL YEAR 2020-2021

June 30, 2020

"A Town in Progress"

TOWN OF YADKINVILLE

"A TOWN IN PROGRESS"

Office of the Town Manager

June 1, 2020

The Honorable Thomas E. Norman, Jr., Mayor
Members of the Board of Commissioners
Yadkinville, North Carolina

Mayor Norman and Members of the Board of Commissioners:

Pursuant to Section 159-11 of the North Carolina General Statutes, I am pleased to present the Manager's Recommended Budget for FY 2020-2021 for your review and consideration.

This Recommended Budget provides a financial plan for the ensuing fiscal year and has been developed in accordance with sound fiscal policies. The key components of these directives from the Board of Commissioners and the budgetary principles on which this document is based are:

- Basic town services are continued with funding at adequate levels.
- Sound budgetary principles have been followed in developing this budget.
- Revenue projections are estimated at realistic, conservative levels.
- Expenditure projections are estimated at realistic levels.

The FY 2020-2021 Recommended Budget totals \$5,334,176 for all town operations, capital improvements, and debt service requirements. This represents an overall increase of approximately \$202,395 or 4% from the FY 2019-2020 Adopted Budget of \$5,131,781.

This Budget recommends no increase to the current property tax rate and no increase in the current water and sewer rates.

HIGHLIGHTS OF THE RECOMMENDED BUDGET

- No tax increase recommended, tax rate to remain at \$0.42
- No increase in water/sewer rates
- 4% of salaries Budgeted for Merit Increases
- Capital expenditures and investment in equipment to maintain services
- Use of Funds for required ADA Compliance Transition Plan
- Special Appropriations for Funding of Community Organizations

FUNDS OF THE RECOMMENDED BUDGET

General Fund

The General Fund contains all governmental services that do not generate sufficient revenue to support their activities, including the Police Department, Administration, Planning and Zoning, Sanitation, Streets and Highways, Garage, etc.

The FY 2020-2021 Recommended Budget for the General Fund totals \$2,784,849, which represents an approximate increase of 3% or \$81,080 over the FY 2019-2020 Adopted Budget of \$2,703,769.

This Recommended Budget proposes no appropriation of Fund Balance to balance the General Fund.

Property Tax

The property tax base is estimated to be \$263,279,605 which represents an increase of approximately 0.39% over FY 2019-2020 and is realistically based on information from the Yadkin County Tax Administrator.

This increase will provide approximately \$1,083,659 in property tax revenues based on an assumed collection rate of 98%. A penny on the tax rate is projected to generate approximately \$26,300 in revenue.

This budget proposes to maintain the current tax rate of \$0.42.

Solid Waste

This budget proposes to maintain the current solid waste fee at \$10 per month.

Water and Sewer Fund

The Water and Sewer Fund contains all water production, water distribution, wastewater collection and wastewater treatment activities of the Town. The Water and Sewer Fund also will maintain operations of County owned water and sewer lines on US Hwy 601 and Hoots Road.

The FY 2020-2021 Recommended Budget for the Water and Sewer Fund totals \$2,549,327. This represents an increase of approximately 5% or \$121,315 from the FY 2019-2020 Adopted Budget of \$2,428,012.

Hinshaw Gardens Fund

The Hinshaw Gardens Fund manages interest earned from a \$100,000 donation from Lucy Crater in 1980. The interest earned from the donation is used for maintenance of Hinshaw Gardens on West Main Street. These funds are transferred to the General Fund and appropriated to the Hinshaw Gardens Department budget.

As interest rates are on the rise, but are still relatively low, \$4,615 of the Garden's fund balance is necessary to ensure there is funding to pay for maintenance costs. The FY 2020-2021 Recommended Budget for the Hinshaw Gardens Fund totals \$5,940 which includes \$1,100 estimated from investment earnings; \$225 estimated from rental fees and \$4,615 from Fund Balance Appropriated.

SOURCES OF REVENUE

Ad Valorem Tax (Property Tax)

Two characteristics of the property tax distinguish it from other forms of taxation and underlie the methods of determining tax liability and enforcing collection. The first characteristic is that the property tax is levied on property itself, not the owner. The second is that the tax is measured by the value of the property as a marketable item, not by the owner's ability to pay. Thus, it is often called an "ad valorem" tax, from the Latin phrase meaning "according to value".

In North Carolina, property tax rates are customarily expressed in dollars per \$100 of assessed valuation. The maximum property tax rate allowed in North Carolina is \$1.50 per \$100 of assessed value. This year's proposed property tax rate for Yadkinville is \$0.42 per \$100 of valuation. This means that for every \$100 in value of property, \$0.42 is due. On a \$150,000 home the total annual Town of Yadkinville property taxes due would be \$630. Total Ad Valorem tax revenues (including prior year collections) are projected to be \$1,099,159 in FY 2020-2021. In North Carolina, this is the only significant source of revenue that the State allows local governments to control. This is strictly General Fund revenue.

The Manager's Recommended Budget proposes to maintain the current tax rate at \$0.42 per \$100 valuation.

Vehicle Tax

Vehicle tax is one type of personal property which is subject to the same levy rate as real property, which is proposed at \$0.42 per \$100 of valuation. The projected vehicle tax revenue for FY 2020-2021 is \$130,100.

Motor Vehicle License Tax

In North Carolina, Municipalities may levy a general motor vehicle tax of up to \$30.00 per year on any vehicle resident in the municipality. The Municipality may use up to \$5.00 per vehicle for ANY lawful purpose. It must use the remaining \$25.00 per vehicle for construction, improvements, and repairs to municipal streets. This proposed budget will include a vehicle tax levied at \$5.00 per vehicle per year. The estimated revenue from motor vehicle license tax is to be approximately \$15,000.

Sales Taxes

Two cents of the 6.75% sales tax imposed on qualifying purchases in North Carolina goes to cities and counties. The State of North Carolina collects the sales taxes and distributes them to the local units. Sales tax revenues are projected to be \$550,000 in FY 2020-2021, which is a 10% increase from FY 2019-2020 budgeted amount. This is a conservative estimate based on North Carolina League of Municipalities projected increase for FY 2020-2021. This is strictly General Fund revenue.

Sales and Services

One of the Town's major sources of revenue is from the sale of water and sewer to residents, businesses and to Yadkin County water and sewer line customers. This will provide approximately \$2,490,000 in revenue. This, along with interest earned on investments, sales tax refunds, fees, and other minor revenue sources pays for all water and sewer operations. This makes the Water and Sewer Fund completely self-supporting.

Fund Balance Appropriated

The proposed FY 2020-2021 Budget proposes no appropriation from the General Fund Fund Balance to balance the budget. The Budget proposes no appropriation from the Water/Sewer Fund Fund Balance to balance the budget.

Loans

The General Fund proposes to loan the Capital Projects Fund: Yadkinville Refuse Dump Assessment up to \$160,000. These funds will be fully reimbursed by the State of North Carolina after the completion of each phase and will not result in any expense appropriated from the General Fund.

Beer and Wine Tax and ABC Store Revenue

Revenues from the sale of beer and wine are distributed by the State of North Carolina and are based on the estimated population of the Town. This year's revenue from the beer and wine tax is estimated to be \$13,000.

Revenues generated from Yadkinville's ABC Store are based on the profit generated at that store, which is expected to be approximately \$110,000 for FY 2020-2021. The revenue generated from these sources is estimated to equal nearly 4.18 cents on the tax rate.

State-Collected Local Taxes

These include: Electricity Franchise Tax, Piped Natural Gas Excise Tax, and Telecommunications Sales Tax.

The General Assembly, in 1998, replaced the utility franchise tax on piped natural gas with an excise tax on piped natural gas. In 2001 the General Assembly replaced the utility franchise tax on local telephone service with a new sales tax on telecommunications.

These funds are collected by the State and are distributed to the City based on the actual receipts from the providers of these services and commodities within the City limits. This revenue source is expected to be approximately \$590,900 for FY 2020-2021. These are strictly General Fund revenues.

Solid Waste Fee

This Budget maintains a \$10.00 per month solid waste fee with an estimated revenue of \$121,000 for Solid Waste services to maintain providing weekly household garbage collection and bi-weekly collection for recycling services to Town residents.

Powell Bill Street Allocation

The use of these funds is restricted to maintaining, repairing, constructing, reconstructing or widening any public street or thoroughfare within the City limits that is not State-maintained. Bridges, drainage, curb and gutter, sidewalks and other necessary appurtenances are also approved uses of these funds. The determination of the amount of the allocation comes from a formula containing a municipality's local street miles and population. To receive funds, each municipality must file an annual certified map and an annual expenditure report. This revenue is estimated to be \$86,000 for FY 2020-2021. This is strictly General Fund revenue and restricted for Powell Bill related expenditures.

EXPENDITURES IN PERSONNEL AND RELATED COSTS

Several challenges have presented themselves in the upcoming budget year. The COVID -19 pandemic has caused uncertainty in the economy. Legislation on the state's unemployment system requires local governments to maintain a reserve equaling 1% of unemployment insurance of taxable income. Additionally, the Town is anticipating an increase of 3.2% in healthcare insurance and a 15% increase in property liability insurance for FY2020-2021. The Town is allowing 4% of salaries for a Merit based increase for full-time employees.

RECOMMENDED BUDGET

This proposed budget is balanced in accordance with State statutes and attempts to address the goals and priorities that have been set by the Town Board for the Town's future. The budget is fiscally sound, and although it does not fund all the requests made by departments, it does address the top priority needs of the Town and is set at a level to maintain service levels to citizens.

I would like to extend my appreciation to Finance Officer Dina Reavis, Assistant Town Manager Shelia Weathers, and Purchasing and Safety Officer Lee Cook for their assistance and hard work.

This budget for FY 2020-2021 is recommended for approval by the Town Board of Commissioners.

Sincerely,

Perry L. Williams
Town Manager

HINSHAW GARDENS

The Hinshaw Gardens Fund accounts for all financial resources in this fund. Revenues from interest earned from the original \$100,000 donation from Lucy Crater are transferred to the General Fund to pay for maintenance of that fund. In this year's budget--as interest rates have started to increase, it has become necessary to dedicate rental fee revenue and Fund Balance towards maintaining the Gardens.
